PROHIBITIONS AND HUNTING RULES:

In addition to current legislation, applicable regulations and organization instructions, included but not limited, the hunter, in order to participate in any hunting activity in our Hunting grounds, assumes and accepts the following rules:

- To be in possession of a valid weapon license, ownership guide of them, compulsory liability insurance in force and hunting license from the "Comunidad de Madrid" in force. Hunting will not be allowed if this requirement is not fulfilled.
- Minors under 18 must be accompanied by an adult who will watch their hunting activity. The adult will be responsible for the minor all the time and will not leave the minor alone under any circumstance.
- It is completely forbidden for the hunter to cross their post's limits, duly marked, except for hound chasing, in that case they must go without weaponry. If any hunter leaves his post, the hunting activity will be suspended immediately by the organization. The/those hunters who disobey the rule will be expelled from the group.
- When travelling on any type of vehicle, weapons must be unloaded and kept at their sheath.
- It is completely forbidden for two hunters to shoot in the same haul, from the same point at the same time.
- It is not allowed to improve the post or to shoot in any way that might put in danger other hunters, hounds or hound masters.
- It is forbidden to leave the post before hunting has finished.
- The hunting trophies will not be cut until the organization allows it.
- It is forbidden the use of hunting weapons in security zones.

It is forbidden to shoot in directions of security zones.

STANDARDS OF COURTESY:

Regardless of the absolute compliance of the above-mentioned rules, for the satisfactory outcome of the hunting, the usual standards of hunting courtesy outlined below must be obeyed:

- Hunters will unload their weapons immediately once the main organiser finishes the hunting.
- A hunter will not cut the hunt of the nearby hunting posts.
- It will be allowed to shoot wounded animals, without affecting the trophy's ownership.

In case of sanctioning procedures against the owners of the land property as a consequence of hunter/s inappropriate activity while participating in the hunt, the offenders will response in solidarity with the hunt organizer against possible civil or administrative sanctions, paying back the fine to the property.
